### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Northwest  
Iowa Planning and Development Commission

I have audited the accompanying financial statements, listed as exhibits in the table of contents of this report, of Northwest Iowa Planning and Development Commission as of and for the year ended June 30, 2005. These financial statements are the responsibility of Northwest Iowa Planning and Development Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with U.S. generally accepted auditing standards, and the standards applicable to the financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards and provisions require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northwest Iowa Planning and Development Commission as of and for the year ended June 30, 2005 and the results of its operations, changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, I have also issued my report dated November 10, 2005 on my consideration of Northwest Iowa Planning and Development Commission's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grants. Those reports are an integral part of an audit performed in accordance with Governmental Auditing Standards and should be read in conjunction with this report in considering the results of the audit.

My audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. I previously audited, in accordance with the standards referred to in the second paragraph of this report, the financial statements for the three years ended June 30, 2004 (none of which are presented herein) and expressed an unqualified opinion on those statements. The supplemental information included on Schedules 1 through 3, including the Schedule of Expenditures of Federal Awards required by U. S. Office of Management and Budget (OMB) Circular A-133, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

**NORTHWEST IOWA PLANNING AND DEVELOPMENT COMMISSION**  
**SPENCER, IOWA**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2005**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**REPORTING ENTITY**

The Northwest Iowa Planning and Development Commission (the Agency) is a regional governmental organization whose mission is to provide community and economic development and job training services for a nine county area. The Agency administers programs funded by federal, state and local agencies. These programs are operated for the benefit of eligible participants using the guidelines of the funding agencies.

The Agency's financial statements are prepared in accordance with U.S. Generally Accepted Principles, as prescribed by the Financial Accounting Standards Board.

For financial reporting purposes, Northwest Iowa Planning and Development Commission has included all funds, organizations, account groups, agencies, boards, commissions, and authorities. The Agency has also considered all potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the Agency are such that exclusion would cause the Agency's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the Agency to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the Agency. The Northwest Iowa Planning and Development Commission has no component units which meet the Governmental Accounting Standards Board criteria.

**FUND ACCOUNTING**

The accounts of the Agency are organized on the basis of funds or account groups, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, fund equity, revenues and expenses. The various funds and account groups in the financial statements are as follows:

The Administration fund represents funds derived from local sources such as dues, special projects and miscellaneous activities.

Program funds are used to account for the revenues and expenses as required by the funding source.

The Plant Fund is established to account for all property and equipment of the Agency.

**BASIS OF ACCOUNTING**

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles. Revenues are recognized when earned and expenses are recorded when the liability is incurred.

**SHARED BANK ACCOUNTS**

All programs administered by the Agency share common checking accounts. Each program's transactions are recorded in a manner which allows its shares of the cash to be identified.

**NORTHWEST IOWA PLANNING AND DEVELOPMENT COMMISSION**  
**SPENCER, IOWA**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2005**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**EQUIPMENT**

Equipment is recorded at cost. Depreciation is computed on the straight-line basis. The cost of repair and maintenance is charged to expense when paid, while the cost on renewals or substantial betterments is capitalized. The cost of assets disposed of is deleted. No interest costs were capitalized since there were no qualifying assets.

**GRANT REVENUES**

Grant revenues are recognized when earned. Grant revenue is earned when allowable program expenditures are incurred. Funds received and not expended are treated as deferred revenue.

**ACCOUNTS RECEIVABLE**

Management considers all accounts receivable to be collectible; therefore, no provision for doubtful accounts has been established.

**COST ALLOCATION**

The Agency utilizes cost allocation methods to distribute certain direct and indirect costs to various programs. The costs have been allocated to the programs based on formulas developed by the Agency.

**NOTE 2 - PENSION AND RETIREMENT BENEFITS**

The Agency contributes to the Iowa Public Employees Retirement System (IPERS) which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by State statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa, 50306-9117.

Plan members are required to contribute 3.70% of their annual salary and the Agency is required to contribute 5.75% of annual covered payroll. Contribution requirements are established by State statute. The Agency's contribution to IPERS for the year ended June 30, 2005, 2004, and 2003, were \$34,641, \$40,130, \$37,788, respectively, equal to the required contributions for each year.

**NOTE 3 - LEASE COMMITMENTS**

The Agency rents office space in Spencer, Iowa. The Agency's lease arrangement for July 1, 2003 to June 30, 2008 calls for rental payments of \$2,673 per month.

The Agency's minimum lease payments are as follows:

<b>Year Ending June 30,</b>	
2006.....	<b>\$ 32,081</b>

The Agency paid rent totaling \$32,081 for the year ended June 30, 2005.

**NORTHWEST IOWA PLANNING AND DEVELOPMENT COMMISSION**  
**SPENCER, IOWA**

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2005**

**NOTE 4 - COMPENSATED ABSENCES**

Agency employees accumulate sick leave and vacation hours for subsequent use. These accumulations are not recognized as expenditures until used or paid.

Accumulated vacation hours are payable to employees upon termination, retirement or death. The approximate liability for those accumulated hours at June 30, 2005 is \$30,745. Unused sick leave hours are not paid upon termination, retirement or death.

This liability has been computed based on rates of pay in effect at June 30, 2005.

**NOTE 5 - PROPERTY AND EQUIPMENT**

A summary of changes in property and equipment comprising general fixed assets and the related depreciation are as follows:

	<b>Balance Beginning Of Year</b>	<b>Additions</b>	<b>Deletions</b>	<b>Balance End Of Year</b>
Property and Equipment .....	<u>\$ 481,833</u>	<u>\$ 51,880</u>	<u>\$ -0-</u>	<u>\$ 533,713</u>
Accumulated Depreciation .....	<u>\$ 269,286</u>	<u>\$ 50,777</u>	<u>\$ -0-</u>	<u>\$ 320,063</u>

**NOTE 6 - RISK MANAGEMENT**

Northwest Iowa Planning and Development Commission is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**NOTE 7 – TOTAL COLUMN:**

The total column on the statement of financial position and the statement of activities is presented to facilitate financial analysis. Data in these columns does not present financial position or results of operations in conformity with U.S. generally accepted accounting principles. Neither is such data comparable to a consolidation.

### INDEPENDENT AUDITOR'S REPORT AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS

To the Board of Directors of Northwest  
Iowa Planning and Development Commission

I have audited the financial statements of Northwest Iowa Planning and Development Commission as of and for the year ended June 30, 2005, and have issued my report thereon dated November 10, 2005. I conducted my audit in accordance with U.S. generally accepted auditing standards, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing my audit, I considered Northwest Iowa Planning and Development Commission's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Reportable conditions involve matters coming to my attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in my judgment, could adversely affect Northwest Iowa Planning and Development Commission's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. There are no reportable conditions at June 30, 2005.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. There are no reportable conditions at June 30, 2005.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Northwest Iowa Planning and Development Commission's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Comments involving statutory and other legal matters about the Northwest Iowa Planning and Development Commission's operations for the year ended June 30, 2005 are based exclusively on knowledge obtained from procedures performed during my audit of the financial statements of the Northwest Iowa Planning and Development Commission. Since my audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

This report is intended for the information of the Northwest Iowa Planning and Development Commission, the federal awarding agency and other grantor agencies. This report is not intended to be, and should not be, used by anyone other than these specified parties.

I would like to acknowledge the many courtesies and assistance extended to me by personnel of Northwest Iowa Planning and Development Commission during the course of my audit.

Should you have any questions concerning any of the above matters, I shall be pleased to discuss them with you at your convenience.

### INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE

To the Board of Directors of Northwest  
Iowa Planning and Development Commission

#### Compliance

I have audited the compliance of Northwest Iowa Planning and Development Commission with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the year ended June 30, 2005. Northwest Iowa Planning and Development Commission's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Northwest Iowa Planning and Development Commission's management. My responsibility is to express an opinion on Northwest Iowa Planning and Development Commission's compliance based on my audit.

I conducted my audit of compliance in accordance with U.S. generally accepted auditing standards, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards and provisions require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Northwest Iowa Planning and Development Commission's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination on Northwest Iowa Planning and Development Commission's compliance with those requirements.

In my opinion Northwest Iowa Planning and Development Commission complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2005.

#### Internal Control Over Compliance

The management of Northwest Iowa Planning and Development Commission is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing my audit, I considered Northwest Iowa Planning and Development Commission's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine my auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Reportable conditions involve matters coming to my attention relating to significant deficiencies in the design or operation of the internal control over compliance that, in my judgment, could adversely affect Northwest Iowa Planning and Development Commission's ability to administer a major federal program in accordance with applicable requirements of laws, regulations, contracts and grants. There are no reportable conditions at June 30, 2005.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. My consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. There are no reportable conditions at June 30, 2005.

This report is intended for the information of the Northwest Iowa Planning and Development Commission, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited.
